Sir,

With reference to your letter No. 304 of the 29th Ultimo, I beg to inform you that in cases where the Main Jodi and Quitrent as fixed by your Department is in excess of the Survey assessment, it would be fair to give the Maindar the Option of paying the Survey assessment only if he agreed to resign the Main tenure and allow the land to be entered as Government land, I do not think that there is any reasonable objection to this course and the Maindar would suffer no loss as Government land after the Survey settlement is just as good property as Main land, the entry of the land as "Government" would tend to simplify the accounts.

I do not see the Survey assessment is after all an arbitrary price like Quitrent certain tenures are exempted and there is no reason why in certain cases Government should not purchase & succeed to the Survey rents, at any consideration.

2. It is true that the Main settlement is permanent while the Government assessment is only fixed for 30 years,

The Survey and Settlement Commissioner,

Mysore.

Sir,

In forwarding the enclosed copy of an Urzi, No 1788 of the 15th Ultimo, from the Amil of Channagiri and of its enclosure, I have the honor to request that I may be favored with an expression of your views on the subject of the Inam land in question, and on the subject generally of the treatment of those cases in which it may be found, in Talúgs in which the Inam Settlement has preceded the Survey, that the Combined Quit rent exceeds the Survey amount, I may remark that the latter is for a limited period, whilst the Settlement of this Department is permanent.

2. As the Inam Title Deeds have been issued, and the accounts are said to be delayed, I have directed that the Quit rent imposed by this Department should be levied for the year just closing.

years, but the obtaining a lower assessment for this period would probably more than counterbalance the remote contingency of increase. If any Braindar preferred to retain his land as Braim he cannot justly object to paying for the privilege.

3. It might be well to see if Braindars object to the above alternative being offered to them, of the right of Government to exact the full terms fixed by you there can be no doubt.

I am of opinion that the option proposed by Colr Anderson in favor of the Inamdars in such cases and submitted with his D.O. of the 25th Ultimo should be granted to the Inamdars applying therefor—

Such cases will be very few!

Sir,

In reply to your docket
No 986/23 of the 25th ultimo,
I have the honor to state,
for the Chief Commissioner's
information, that I fully
concur with Col. Anderson
in the views expressed in
his letter No 377 of the 16th April
last. The retention of the
Indian lands under such
circumstances would tend
to show whether the assess-
ment fixed by this Deptt
is too high or not; though
the fact of the Indian settle-
ment being a permanent one,
coupled with the possession
of a regular Deed or Title
Deed, conferring powers of
alienation

The Survey Settlement is no absolute test of Value

alienation, would doubtless
lead to the lands being
retained on the Indian Reserve.

Sir,

In reply to your letter No 29 of the 6th instant, I am directed to state that in cases where the Combined Quit rent, as fixed by the Asst Supt, is in excess of the Survey Assessment, the Chief Comr sees no objection to the Asst being given the option of paying the Survey Assessment only on condition of his relinquishing his Asst tenure, as proposed by Colonel Anderson, and ~~I am desired to convey the Chief Comr's sanction to that course~~ being adopted in such cases.
